

O tubarão do mal

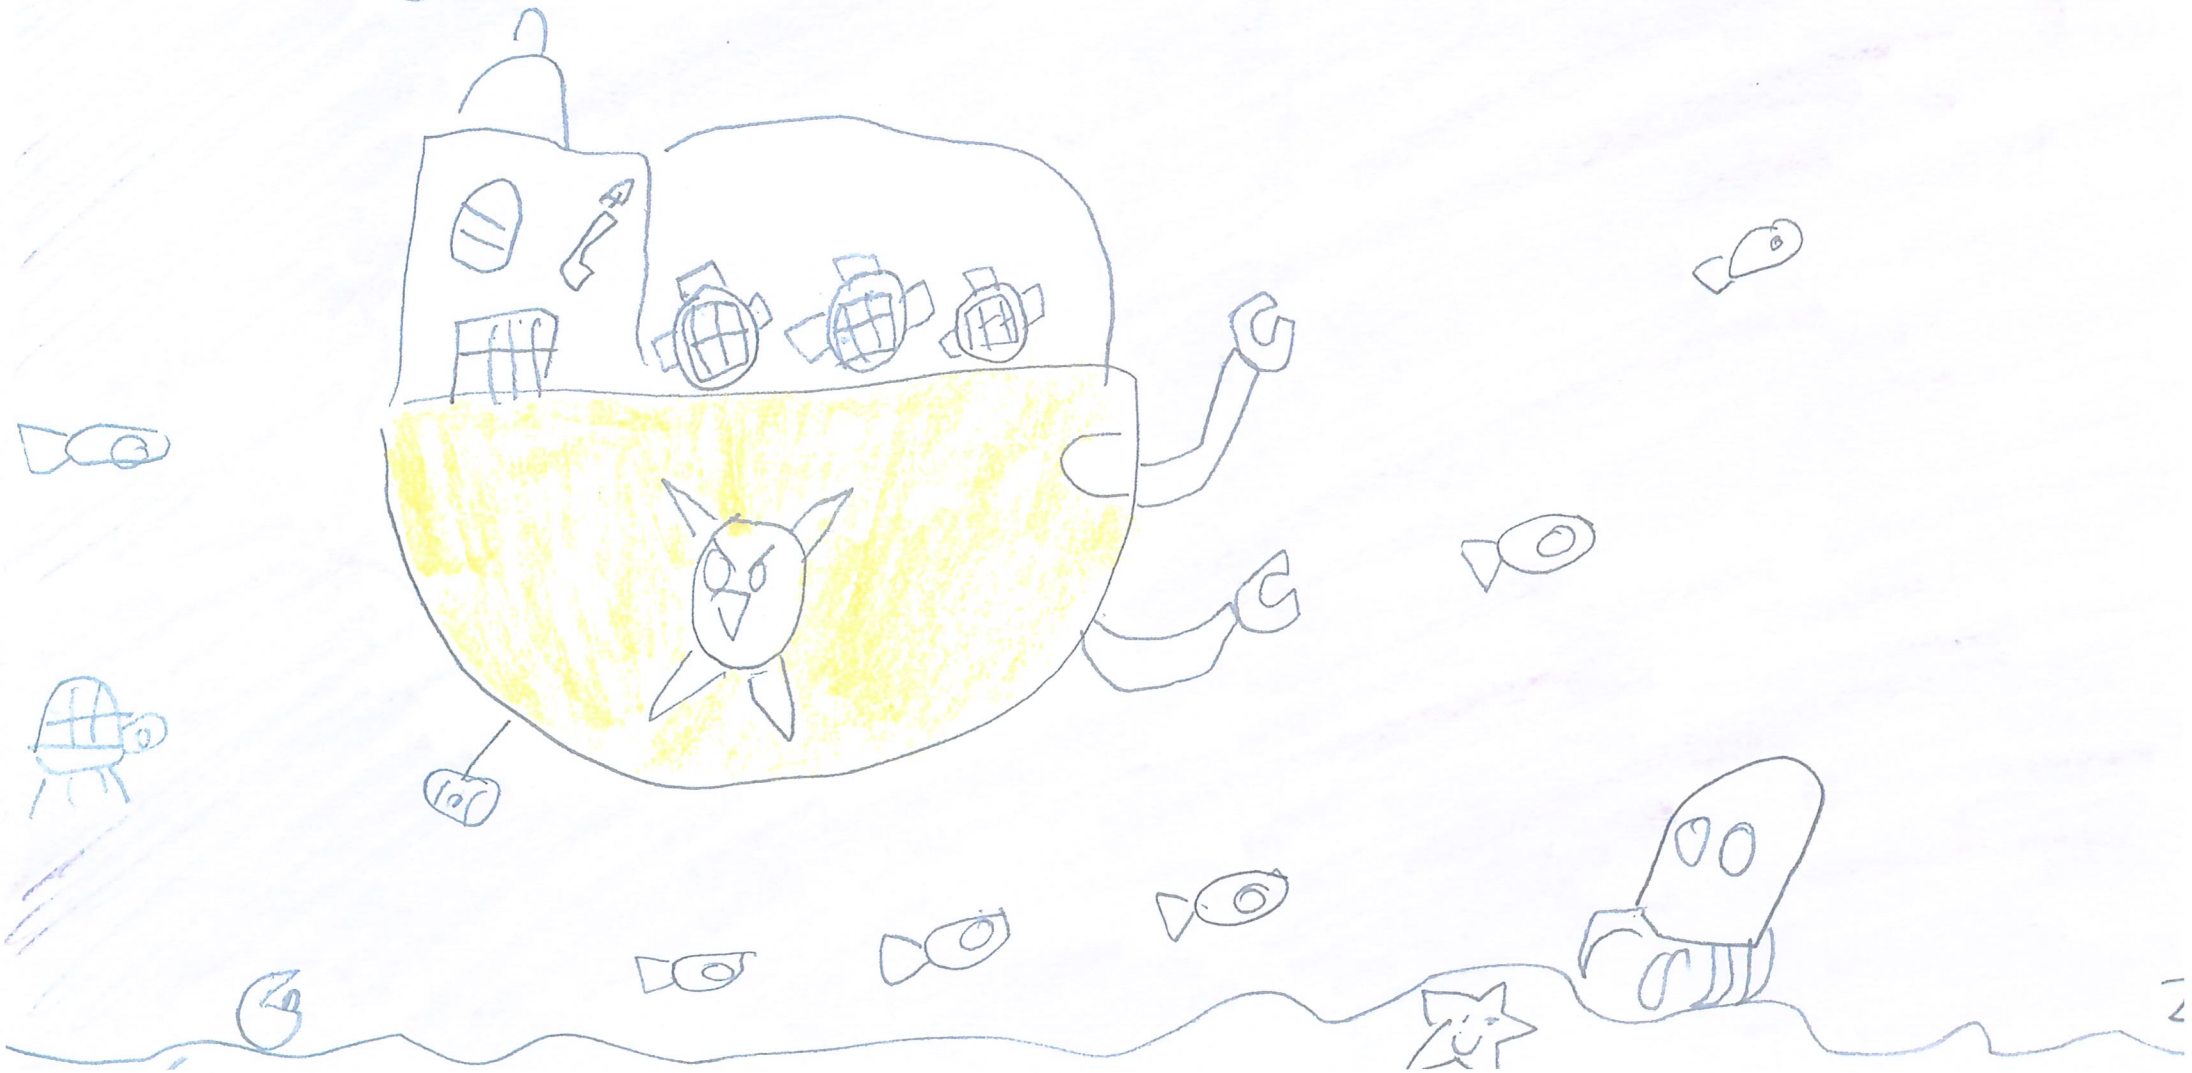

por philippe Seabra

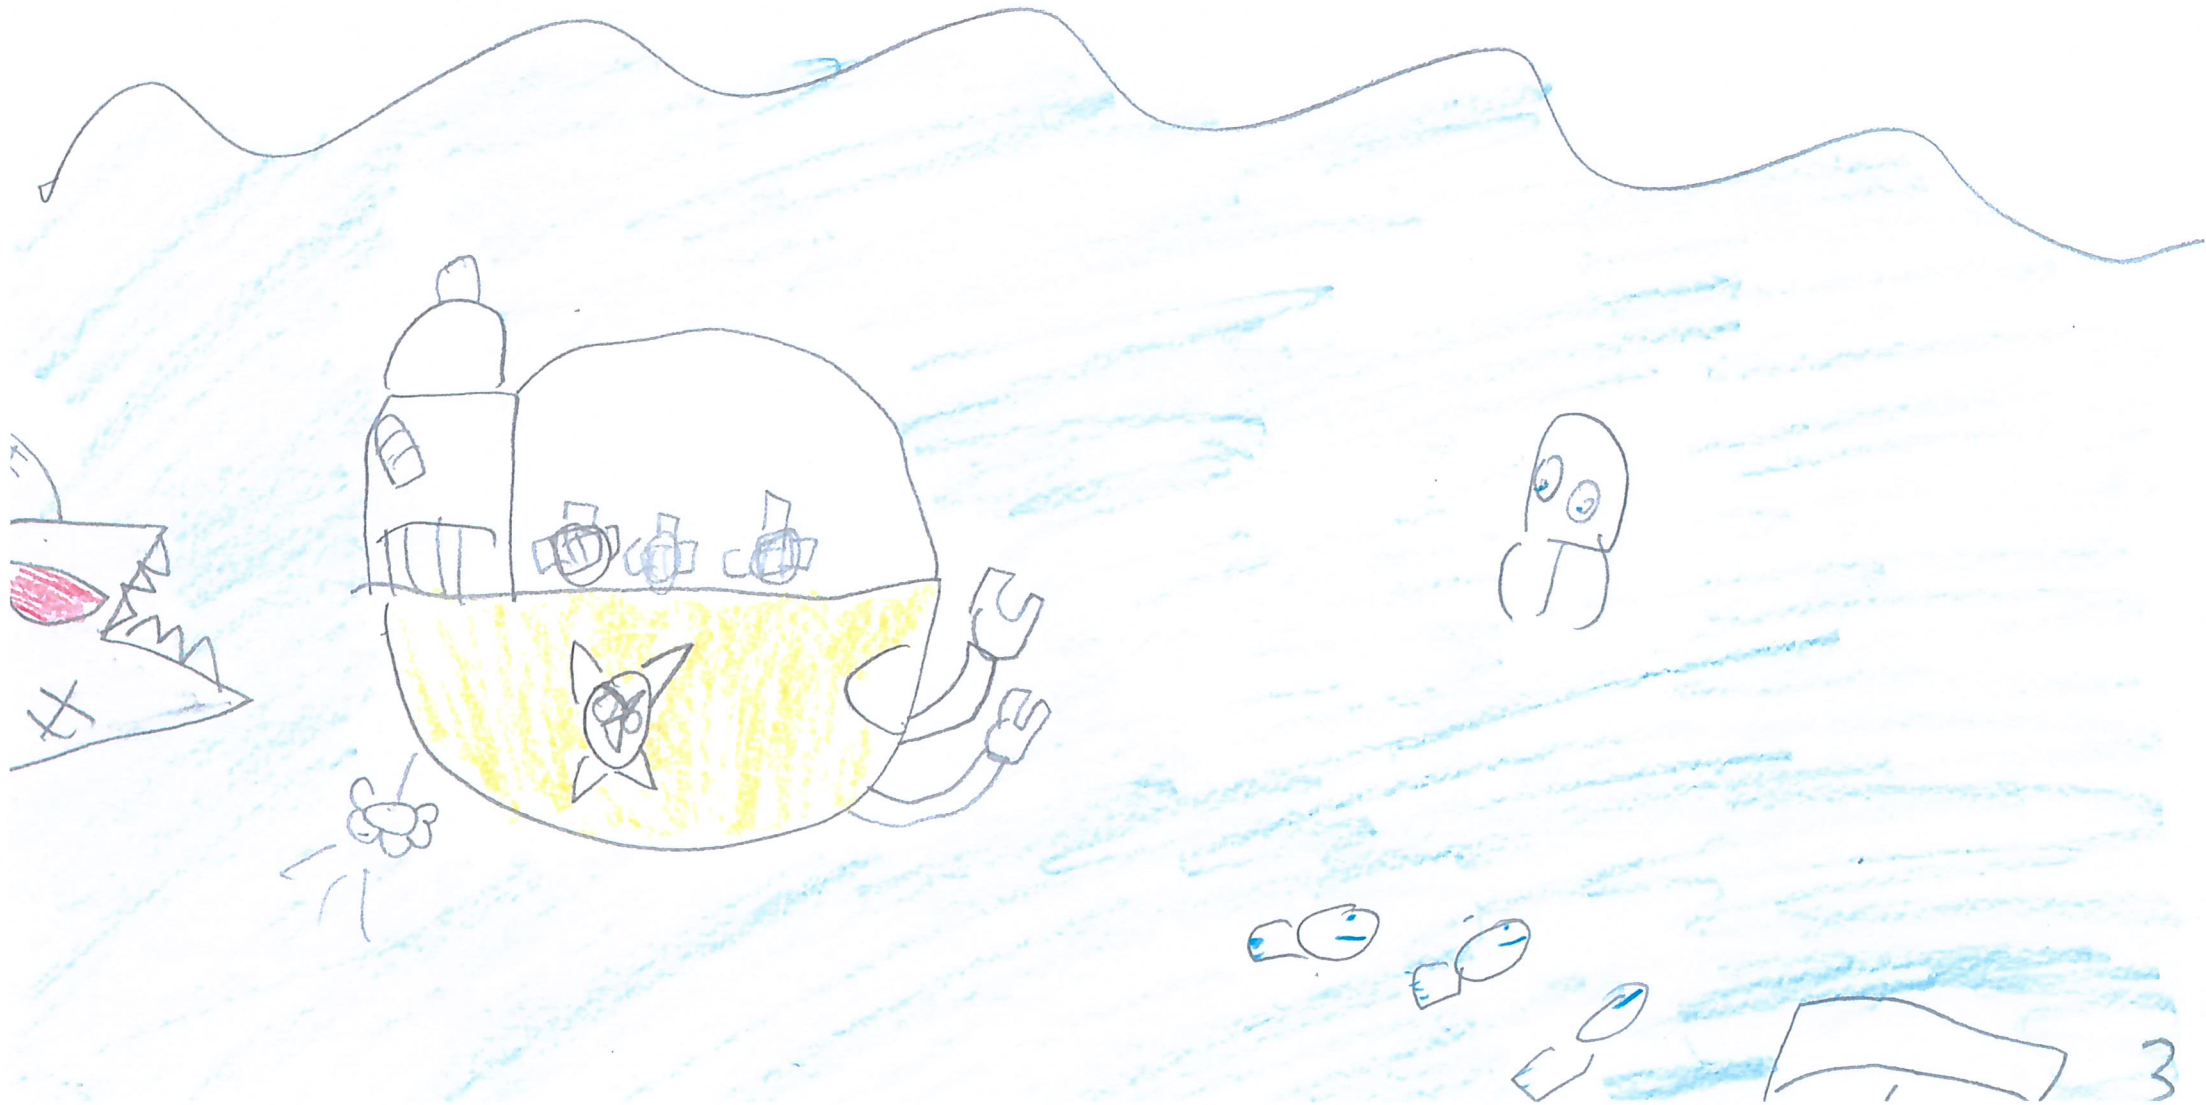

Tinha três investigadores, mandaram os três
investigadores para resolver o mistério da tubarão do mar

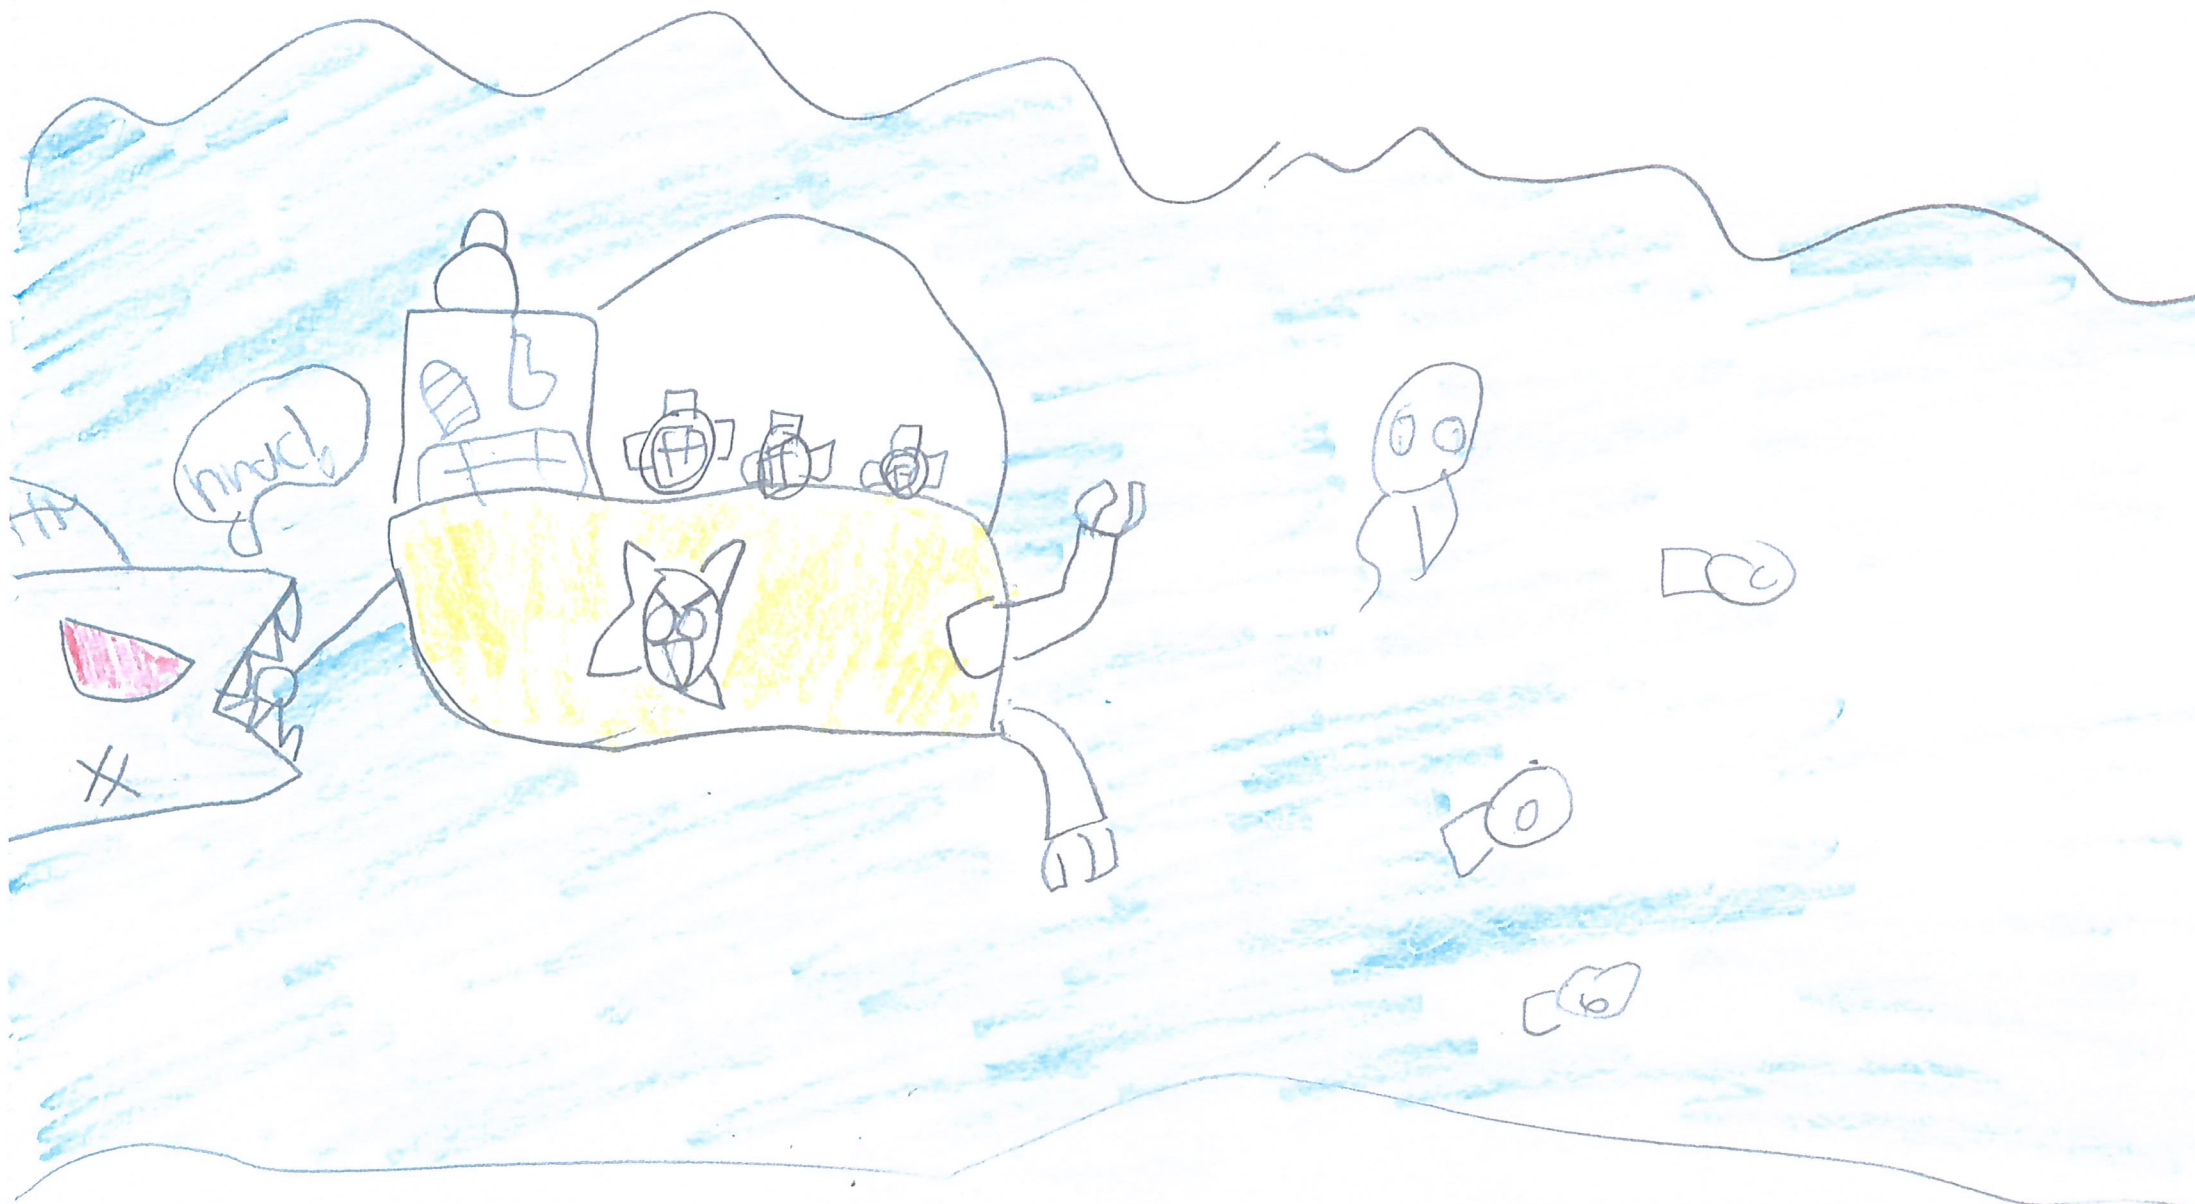

e aí os três mergulhadores entraram no
submarino

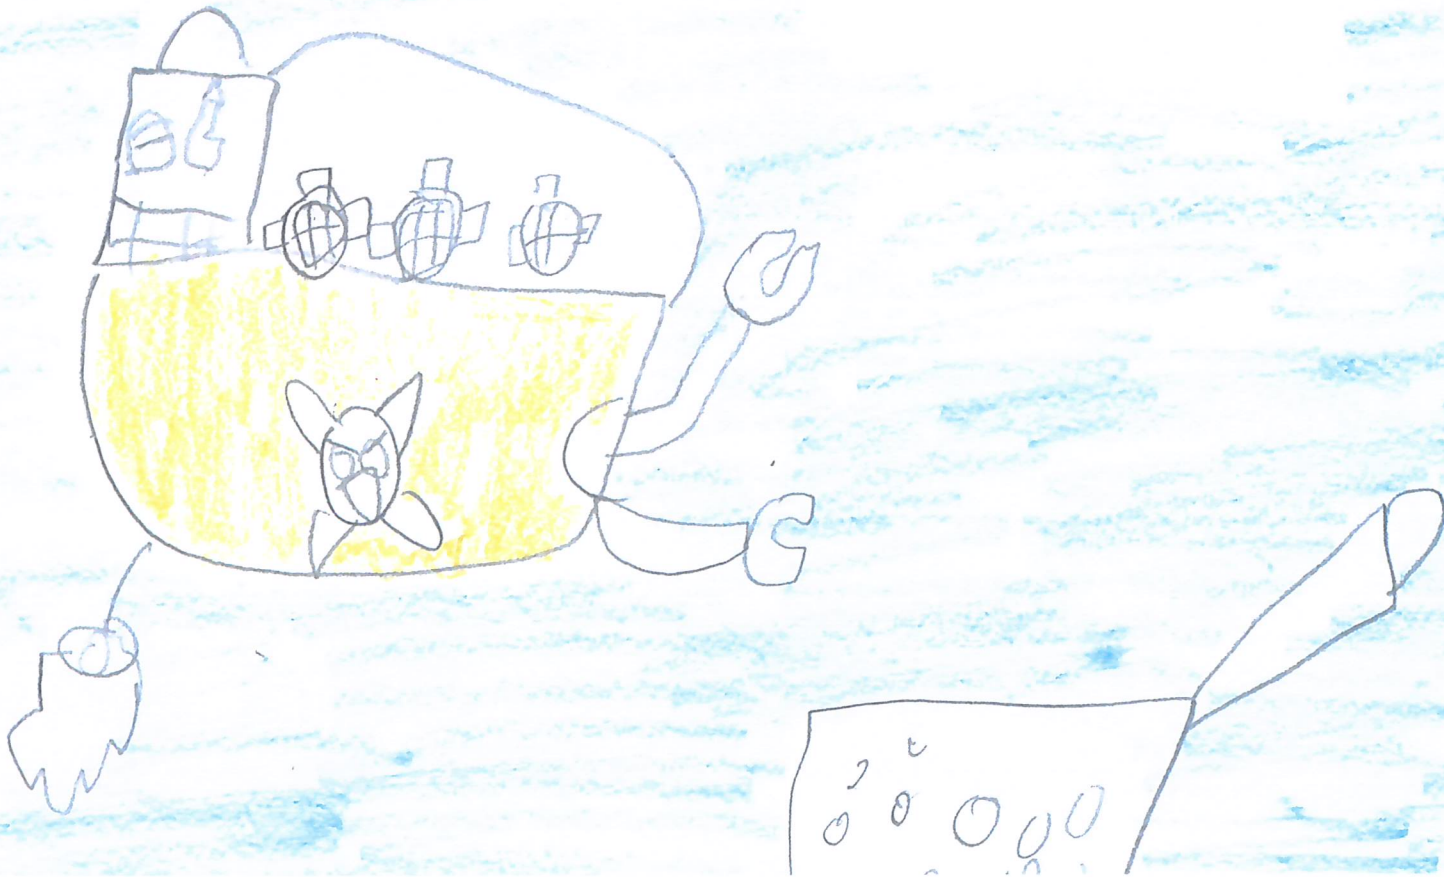

mas eles viram o tubarão do mal... e correm.

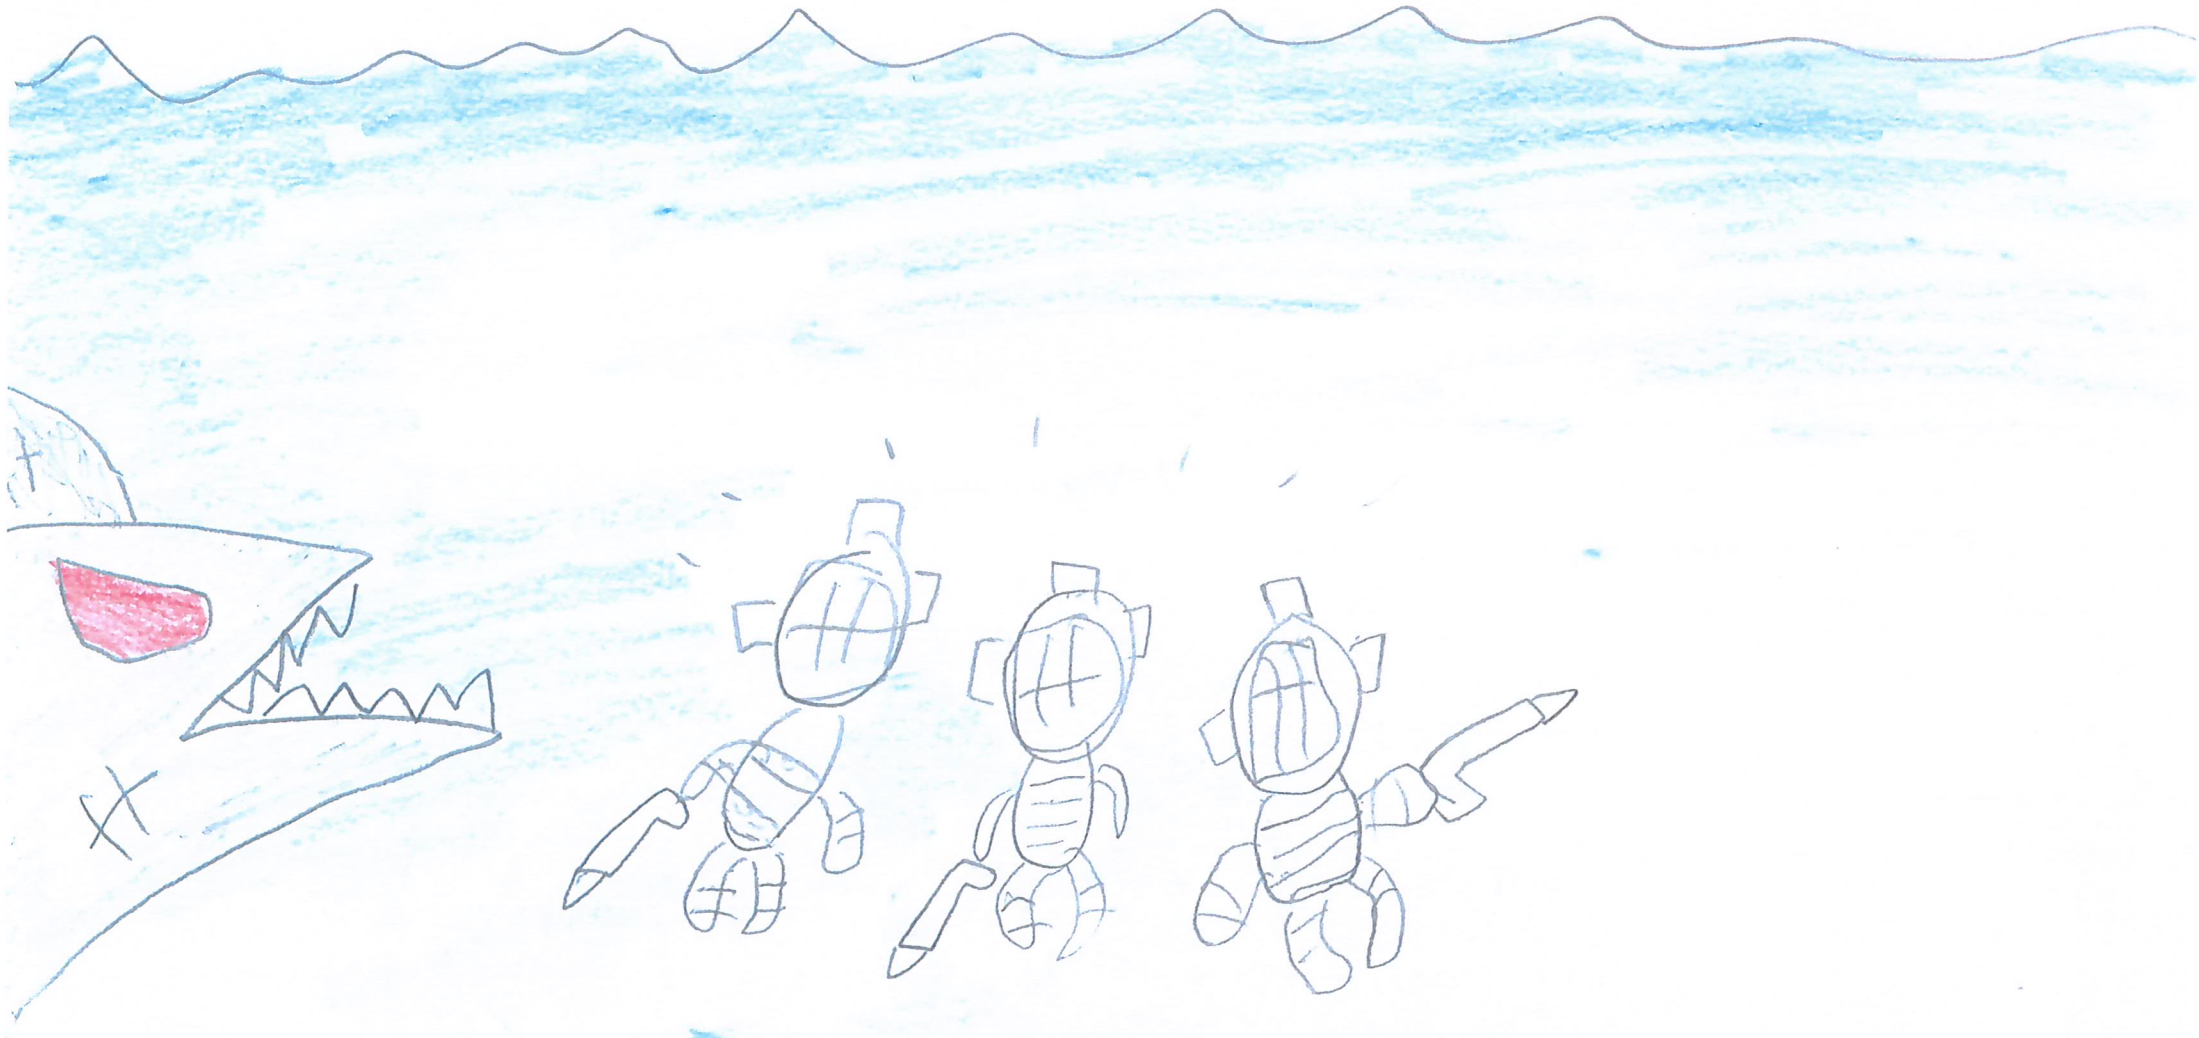

O tubarão mordida a hélice do submarino

e o sub marino - pifou!

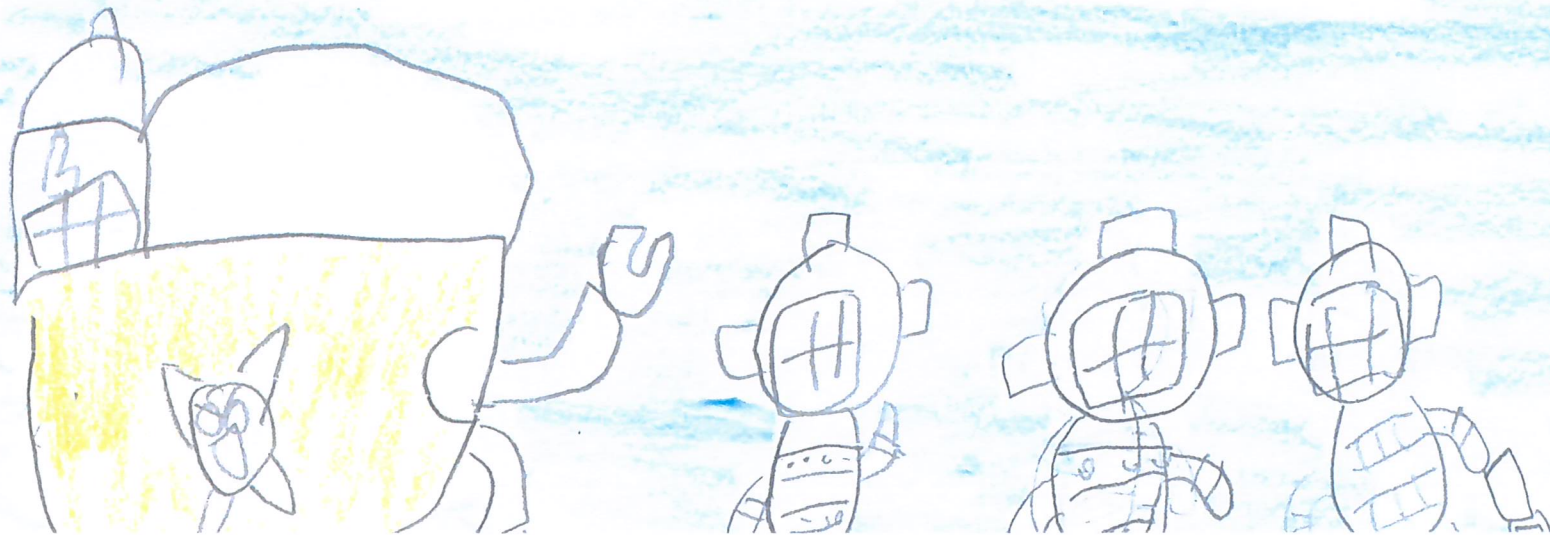

Uma Otubarão seguia os mergulhadores

Eles entrarão

00000
00000

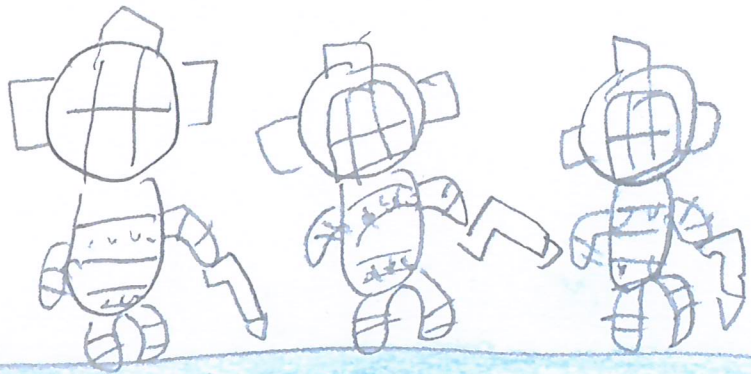

numa base abandonada

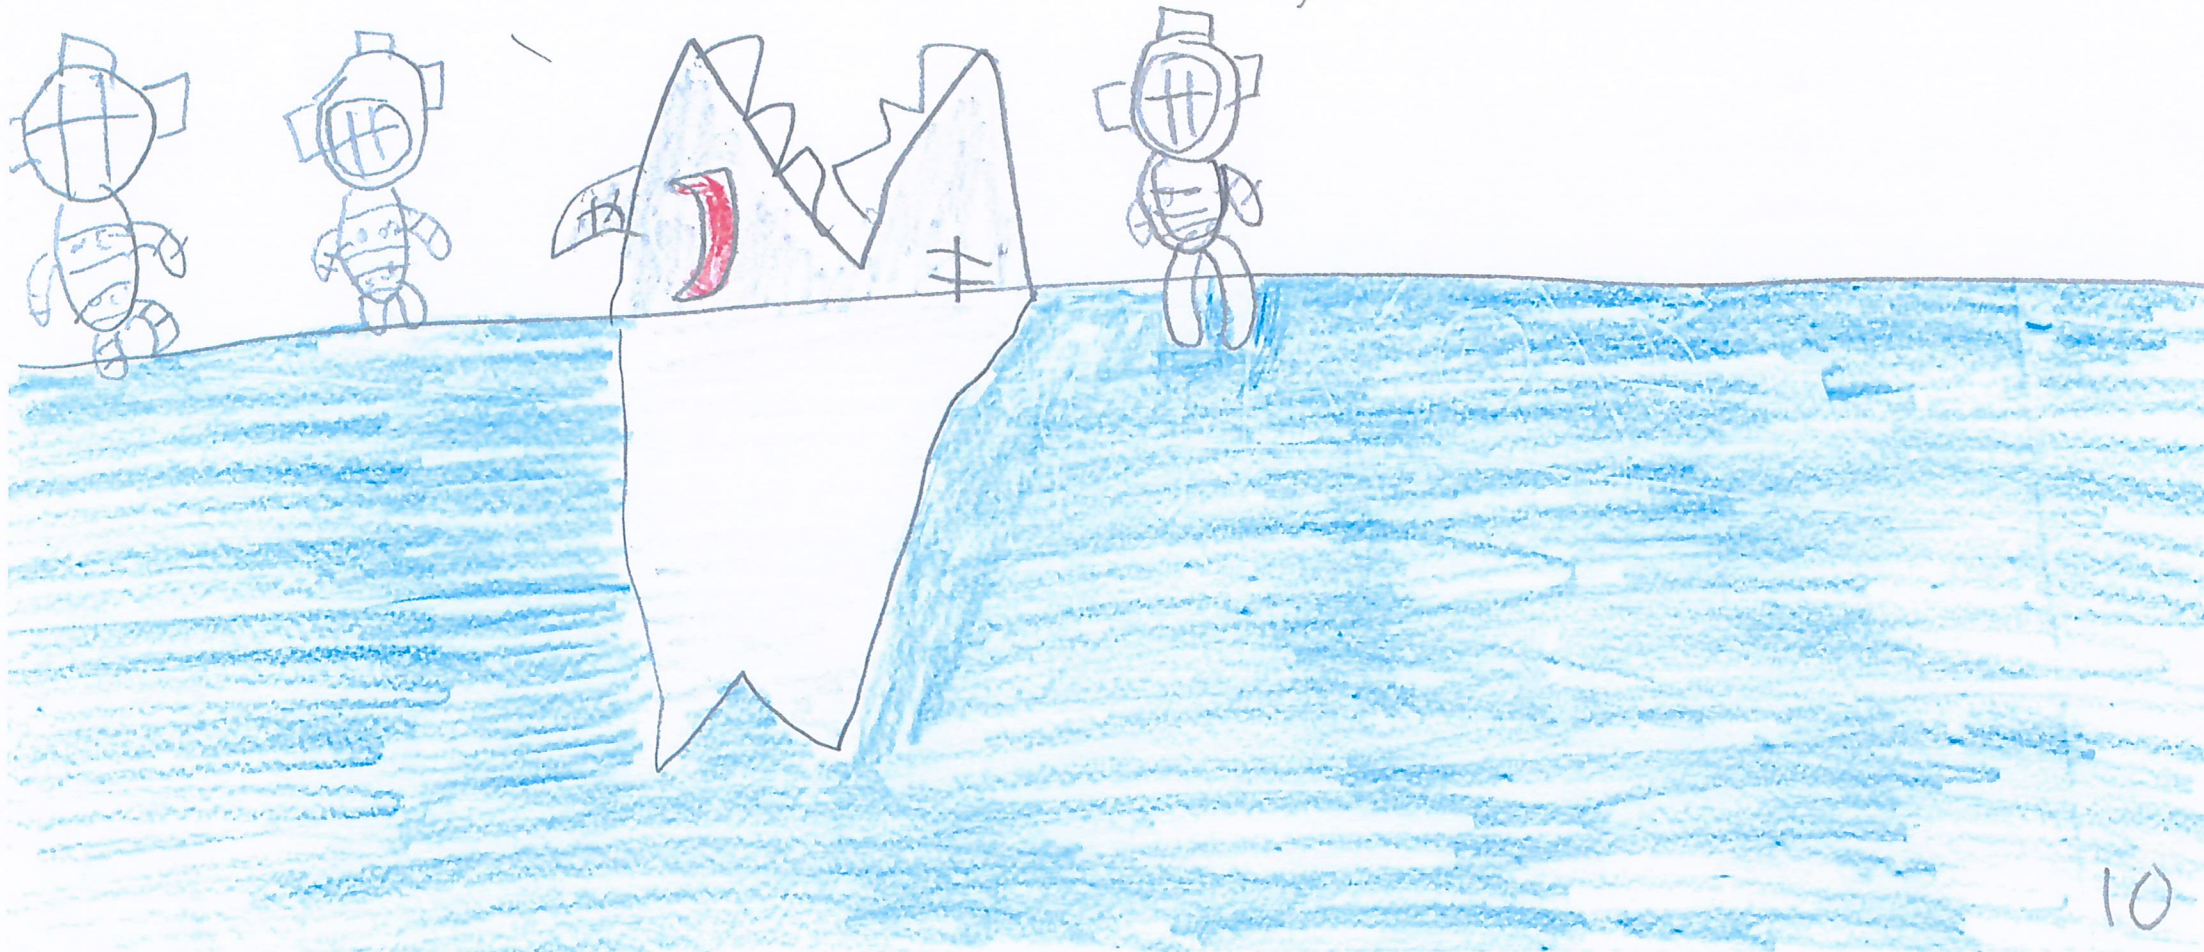

... E o tubarão ficou confuso

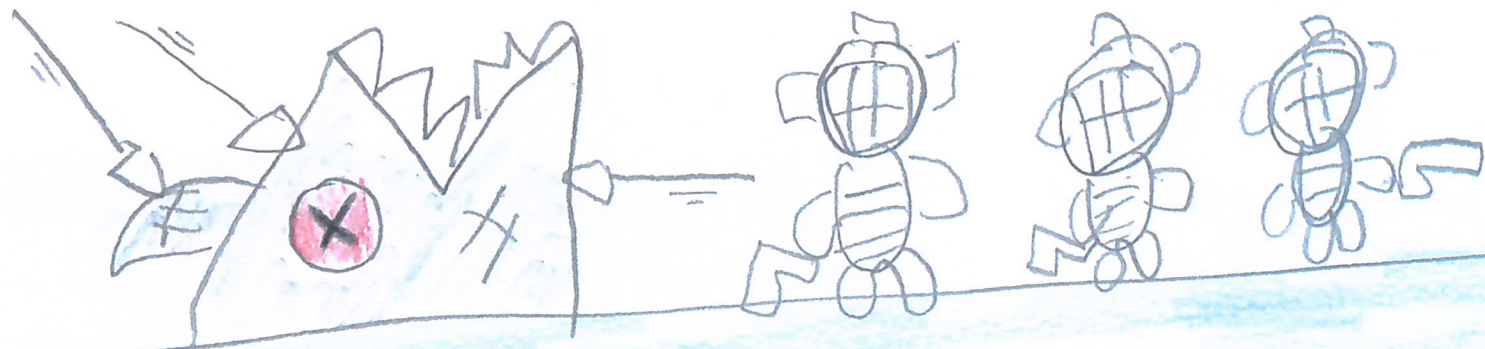

Os mergulhadores entraram num cano

Mas aí o tubarão enfiou seu bocado
no cano!

Os três morderadores aproveitaram
para ativar no tubarão os arpos!

O tubarão ficou preso lá e os mergulhadores fugiram!
